*After disbanding 4 years ago, Masking Tapeworm is back with a vengeance. This is the funkiest and punkiest album to date, with some twisted experimental interludes between the hard driving numbers. These mysterious islanders have pulled out all the stops in the dancehalls of your mind. Look out! And play loud!*

# ETERNITY FOOLS

*Anybody can follow the drum  
With a knife twisted in the back of the skull*

*Anybody can hollow the sea  
With a head swollen by eternity*

*When you think you can follow the sun  
You fool yourself that your life has begun*

*Fool yourself that your life has begun  
Find yourself in the mouth of a gun*

*Fool yourself that your life is a gun  
Find yourself in oblivion*

*(Play games with eternity  
Fake claims of eternity)*
